

2025 Summer T-Ball League

Games

Games will consist of 3 complete innings or a time limit of 1 hour and 15 minutes.

Innings

An inning is complete when all players on the offensive team have had an at bat.

Pitchers

A coach from the offensive team will pitch to the batters. Boys will be pitched to overhand and girls will be pitched to underhand.

Batting

All players should bat each inning. Each player is given 4 pitches to hit the ball. If they do not hit the ball, they should then use the tee.

Baserunning

A base runner may not leave the base until the ball has been hit. The baserunner may only take one base at a time, unless it's the last batter. Keep in mind the instructional nature of the league and proper base running should be emphasized by coaches to their players.

Defense

Defensive players should be placed in proper positions: pitcher, 1B, 2B, 3B, SS, RF, RC, LC, LF. Coaches may stand in the field to help guide the players.

Score

No official score will be kept.

The main objective of this league is to provide kids with a fun and instructional experience being on the baseball/softball diamond. We should emphasize baseball/softball vocabulary and terms while introducing the principles of the game.
